

List of Affected Vessels

This document provides a comprehensive list of vessels recently sanctioned by the European Union and HM Treasury. It includes details on vessels directly involved in supporting Russia's war efforts, transporting military equipment, or engaging in deceptive practices. This list will help you stay informed about the latest sanctions and their impact on maritime operations. The 14 highlighted vessels were not visible as sanctioned on the Seasearcher platform as of 26 June 2024. Another 15 vessels are already featured on the OFAC SDN sanction list.
